

## New Head of Digital Business at Siemens Postal, Parcel & Airport Logistics GmbH

Kadir Dindar has taken the helm as the global manager of Digital Business at Siemens Postal, Parcel & Airport Logistics GmbH (SPPAL) effective July 1, 2018. In this function he will have a decisive hand in steering global business in software and IoT solutions.

Among his duties, he will be focusing on further developing and implementing the future-oriented digital solutions and services of SPPAL. "In Kadir Dindar we've gained an internationally experienced manager who has a keen understanding of the processes driving the digital transformation and who will firmly establish our innovations on the market," says Michael Reichle, CEO of Siemens Postal, Parcel & Airport Logistics.

Kadir Dindar holds a degree in business administration and has extensive know-how in the digital sphere, in particular through his years of successful work at a major software producer and internationally recognized analytics firm. "I'm delighted to contribute my industry expertise to SPPAL. Siemens offers every ingredient needed to achieve a sustainable and successful digital strategy on the market," emphasizes Kadir Dindar.
